

GPT-1000AP 3-IN-1 RUFFLING MACHINE

Gateway Systems **GPT-1000AP** is a new combination machine that allows one operator to sew either Pillow Top, Euro Top, or Box Top Gussets to inner panels, or Continental Box Spring borders to non-skid decking, all on one machine.

- Single needle chainstitch sewing head
- Unique programmable corner ruffler
- Closes the gusset or box spring border ends conveniently on the same station
- Easy material handling package that guides wide borders to sewing head for more accurate sewing
- Supports US flammability standards
- Handles material from 100 mm - 500 mm in width
- Sewing speed is 5000 rpm @ 2mm ps
- Footprint size: 1.5 m x 0.76 m
- 240+/- panels/8 hour shift
- 160+/- foundations/8 hour shift
